2018 Spring

Message from the President

Imagine - it is already June, and we are busy planning our next Event for July 1st. You will notice from all our Reports, the directors are working hard to make our functions enjoyable. We urge you to participate and help keep our Community united. These functions - whether it is Parks Clean up, BBQ, AGM or other volunteer days, it gives us the opportunity to meet others in our community. Sometimes long friendships are forged through these gatherings Give it a

try - come out and enjoy. Last year I presented a financial forecast of what things can cost without volunteers helping and projections of payments if we contracted out. Now we are experiencing just this! A tree in the park fell on to a member's chain fence. Volunteers have removed the tree, now we have to repair the fence at a cost of close to \$1,000 dollars. For the July 1st function we are charging \$5 person. No charge for

children under 12. The Menu for this event is in the Recreation Directors report. It would be appreciated if you can order tickets in advance, this way we will have a better understanding of attendance. Feel free to e-mail any of the directors to order tickets, or call us! You will not be disappointed! Bring your family and friends!
Kris Baboolal

From the Vice-President

First of all - I'd like to thank all the people who regularly come out to volunteer at our events. I would also like to encourage those of you who would like to donate an hour or so to the SCCA to do so. We will need people to help at our youth events this summer,

and specifically help on July 1st at the barbeque. If you would like to help set up or clean up at the July event, please let me know. It would be greatly appreciated. We want to continue to communicate with you according to your choice of message. If you wish to receive your information by email and don't currently, please send me your email address and we will add you to the distribution list.

On a last note, remember that this is an election year for both Ontario provincially and for the Township of Tiny municipally. You can have a say in what is done if you vote!

Park Director's Report

Hello, all. Summer is here!!

I would like to thank the members and their friends for Parks Cleanup! It's amazing how fast the work goes when you have a lot of volunteers! We hope you enjoyed the lunch for volunteers which followed right after the cleanup! Parks cleanup doesn't stop after that one day. Please tell your family members, friends and renters to be respectful of our community, our parks and our

beaches. Unfortunately we've already had to remove substantial garbage from two of our beaches.

Just a reminder to everyone to leave the area as you've found it, and remove all your belongings from the beach areas at the end of each day. Keep your eyes on the entrance boards - and your email - for upcoming events and repairs. See everyone on Canada Day!

Rick Benz

Youth Director

Hello SCCA Community,
We are looking forward to a wonderful summer and some fun youth activities this year.

SCCA Youth Canada Day Baseball Game Bring your bats, gloves and helmets and join us for a fun game of youth baseball!
Saturday, July 28 10 am - 1 pm

Park 4 Picnic Area
SCCA Youth Day Scavenger Hunt and Craft (BBQ to follow for all participants)

Join us at the picnic tables in Park 4 to collect your scavenger hunt list, prizes for the fastest team and all participants who complete the hunt.

We will also be painting and decorating ceramic flower pots.
A BBQ lunch of hotdogs and hamburgers will follow for all who participate in the fun!

Recreation Director

We enjoyed our first social event of 2018 with the barbecue lunch for parks clean up volunteers. We sure had fun, hope you all did too!

July 1st will be a fun day. Starting with a youth activity in the morning, we move to our member barbecue starting at 4 p.m. in park 4. This year, we will be providing all the food for you, including beef, a roast pig, salads, baked beans, rolls and sweets. Of course, we welcome any of your food contributions should you want to bring a family favorite or your specialty.

This year, we will be charging a \$5 fee at the door for people older than 12. As in previous years, there are also soft drinks/beer/wine for sale. Following the meal, for the first time ever, there will be dancing and music for all the enjoyment. And yes, we will have a proper dance floor!

We hope to finish a great day with fireworks in park 4 at 9 p.m. These may have to be cancelled as the company who provides our park insurance is not sure if they can underwrite this activity. We will keep you posted on this.
