Message from the President

Oh where does the time go? Here we are sending our Newsletter for the end of the season and our AGM. With this letter is the Financial Statement to recap the year. This is an election year. All positions are available and you can choose to become elected. Most of the current directors are seeking another term. However - if you wish to seek a position, please have a member in good standing nominate you - and then have someone second your nomination.

If you are seeking a position - you will be required to express to the voting members - your contributions to the Association, how you would better benefit the Community and be willing to participate in all events that are planned so as to help enrich the strength of our Association.

I wish to express my thanks to our current Directors, Sue, Nancy, Rick and John, for their dedication and hard work to always make our many meetings during the year pleasant, gratifying and successful. This is evident by all of our events being a success. This is your association and we need your input. If you believe we need changes, please come out to the meeting and meet your neighbors. Without you - we do not have a Community.

The AGM will be held on SATURDAY AUGUST 24th at 2.00 PM, in PARK 4.

I want to thank all of the volunteers who help us at the functions and other projects that we do to maintain the Parks. In the spring of this year we lost a dear friend who was a lovable member, and great volunteer….Halina Studzinski (loving wife of Stan). You will always be missed.

Our Boat Ramp administrator continues to be Sam Bernardo! Thank you Sam for doing a wonderful job!

Kris Baboolal

From the Vice-President

Thanks to all of you who volunteered your time at our BBQ fest on June 30. We had plenty of help setting up, serving and cleaning up, and it was good to see both old and new members out helping. THANK YOU!

Sam Bernardo donated one of his carved wooden bears to the association and we were able to raise almost $250 for Georgian Bay General Hospital through a fun raffle. Sam, thank you for your generosity.

We've noticed that there seems to be some confusion with peoples' blue bins on garbage day. Unlike some municipalities, paper recyclables cannot be mixed with plastic/glass. They have to be put into separate containers for pickup. If they are not, the collectors will not empty the bins and material is often scattered around the

area. Please remind your guests and renters of this change so we can have a litter free environment.

Lastly, this is an election year for the SCCA executive, so make sure to come out to the AGM and make your vote count.

Park Director's Report

Hello all!

Now that all the rain has stopped and Canada Day is behind us….let's enjoy the summer! Hopefully we don't need to spend all our time cutting grass?

I like to thank the members who cut grass in our walk ways and around our trees.

There's still plenty of work to be done around our parks (tree removal) that can wait tell the fall. Hope to see you all at the AGM and corn boil. Its an election year! Until then enjoy the parks.

Rick Benz

Youth Director's Report

Hello SCCA Community,

Thank you to all those who came out for a great game of Baseball on June 30th - we had over 25 participants again this year! It was a fun time for the young, and young at heart that played on Sunday.

We still have one more exciting event upcoming for the SCCA youth (and their friends) this summer:

August 24 dusk (approx. 8:30 pm) Park 4 Baseball Diamond Youth Movie Under the Stars An end of summer Movie Under The Stars for the youth of SCCA. Bring your lawn chairs and blankets to enjoy a family friendly movie while you enjoy some popcorn and refreshments (provided). Looking forward to the continued outdoor fun this summer!

Oooh - I didn't know that!!

If a thief forces you to take money out of an ATM, do not argue or resist. What you do is punch in your pin # backwards! eg: if it's 1234, you'll type in 4321. When you do that, the money will come out but will be stuck in the slot. The machine will immediately alert the local police without the robber's knowledge and begin taking photos of the suspect.

Every ATM has this feature! Stay Safe!
